

# KUĆA KULTURE

*Kuća kulture* smeštena je na adresi Terazije 34, u zgradi koja je proglašena za spomenik kulture. Poznata je kao privremeni dvor u kojem je, 1918. godine, proglašena Kraljevina Srba, Hrvata i Slovenaca, ali i kao nekadašnji Omladinski dom, a kasnije i kao zgrada Protokola.

U sklopu Fakulteta za medije i komunikacije ova važna istorijska građevina dobija sasvim nov sadržaj. Kuća kulture je zamišljena kao otvoren prostor za sve koji žele da aktivno unaprede kulturnu scenu u Srbiji, razvijaju kulturu dijaloga i nove oblike mišljenja i učestvuju u kreiranju najraznovrsnijih umetničkih formi.

*The House of Culture* is situated on Terazije 34, in a building that has been proclaimed a cultural monument. It is famous as the temporary palace in which the Kingdom of Serbs, Croats and Slovenes was declared in 1918, but also as a former Youth Center and later as the Offices of Diplomatic Protocol.

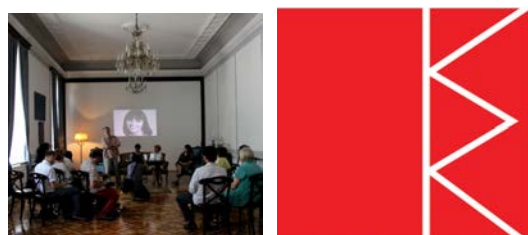

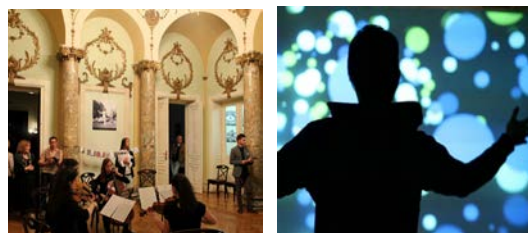

In its association with the Faculty of Media and Communications, this important historical site gains an entirely new content. We envision the House of Culture as an open space for all those who have an interest in actively improving the cultural scene in Serbia, in developing a culture of dialogue and new shapes of thought, and who wish to participate in the creation of a wide diversity of art forms.
